

Christmas Party Time

- 1) Christmas is getting nearer day by day
Soon Santa Claus will be on his way
Whilst everyone's being to one another very pleasant
They'll soon each receive a nice new present
Bringing a smile to plenty a face
Many a Christmas Party is now taking place

- 2) On Christmas Eve all children go to bed early yes
Are quite eager for Santa to come or so I guess
In the morning they'll each have lots of joy
All of them playing with plenty a nice new toy
Bringing a smile to plenty a face
Many a Christmas Party is now taking place

- 3) Each house shows lots of Christmas decoration
Which has been put up with no hesitation
And with a lot of nice regard
People buy one another many a Christmas card
Bringing a smile to plenty a face
Many a Christmas Party is now taking place

- 4) On Christmas Day a popular Christmas cracker is pulled by different folk
And then there is told a humorous joke
With some of them getting dafter and dafter
The odd one brings out quite much laughter
Bringing a smile to plenty a face
Many a Christmas Party is now taking place

- 5) So on this day we remember Jesus Christ's special birth
Who brought love and peace to this whole wide earth
Yes Christmas time has finally come
Time for lots of celebration and fun
Bringing a smile to plenty a face
Many a Christmas Party is now taking place
