

## The Father, Son And Holy Ghost

- 1) With many a very nice voice  
We'll Christianity rejoice  
Singing along many a line  
Taking each one at a time  
The Father, Son and Holy Ghost  
We should always praise the most
  
- 2) Together we should show lots of love  
Like the true Lord God above  
Show each other a very warm heart  
And in having care play a big part  
The Father, Son and Holy Ghost  
We should always praise the most
  
- 3) We often have some wine and bread  
While bowing at a cross our head  
Being blessed with Jesus's body and blood  
Who on this earth did what he could  
The Father, Son and Holy Ghost  
We should always praise the most
  
- 4) In the Church we sing many a song  
Which with the organ goes along  
Giving Jesus Christ lots of praise  
Who in this world love did raise  
The Father, Son and Holy Ghost  
We should always praise the most
