

The Going Of Jesus

- 1) There was a very big loss
When Jesus was put on the cross
And not many people cried
The day he was crucified
Although we don't know when
Jesus will definitely come again

- 2) Although some people didn't give a toss
Some of the disciples felt a big loss
Also we are telling no lie
When we say Mary did cry
Although we don't know when
Jesus will definitely come again

- 3) You should have seen the disciples face
When the Lord Jesus resurrection took place
It came as such a big surprise
They could not believe their eyes
Although we don't know when
Jesus will definitely come again

- 4) Then having left his messages to stay
Jesus once more went away
Leaving disciples with their decision
To carry out their left mission
Although we don't know when
Jesus will definitely come again
