

## The Power Of Love From Heaven Above

- 1) Everyone should be loving and caring  
Very warm heart sharing  
Offer each other the power of love  
From Heaven above
- 2) Like with Jesus we should help each other out  
And do that without a doubt  
For one another cover oh quite a distance  
To come of assistance
- 3) In church we should offer a prayer  
For people everywhere  
Hoping that sin and illness will become a thing of the past  
Completely over with at last
- 4) In Heaven many of us will get better  
No longer a slight regretter  
But just look back down on earth  
Where we all, including Jesus, once had a birth
