

A Tremendous Christmas!

- 1) Christmas time has now finally come
A time for lots and lots of fun
Many a party will take place
Bringing a smile to plenty a face
It's time for you and me
To gather round the Christmas tree

- 2) Lots of children will go to bed early tonight
Hoping Santa Claus will come to their delight
They'll be hoping to the morning deeply enjoy
Whilst playing with many a nice new toy
It's time for you and me
To gather round the Christmas tree

- 3) In the morning the Church bells will be ringing
And many a carol singer singing
It's getting less and less stranger
To remember the day Jesus was born in a manger
It's time for you and me
To gather round the Christmas tree

- 4) After each opening many a present
We have a Christmas meal that's very pleasant
Then all pull a Christmas cracker yes
And with an answer to the joke have a good guess
It's time for you and me
To gather round the Christmas tree

- 5) Everyone at Christmas has the best time of all
Even when they get hit with a white snow-ball
Yes together in the snow and ice
Christmas time is really very nice
It's time for you and me
To gather round the Christmas tree
