

Beside the Seaside

- 1) You can go to the Sea Shore
Where you've never been before
Be a little bit brave
And have a sunbathe
Because together in the sun
We can have quite a bit of fun

- 2) Also it isn't much of a hassle
To with kids, build a sandcastle
Or have a swim in the sea
Which near the beach you can see
Because together in the sun
We can have quite a bit of fun

- 3) To gain a dark tan
You'll have to do what you can
And to put on some cream you should learn
Or you'll have a slight burn
Because together in the sun
We can have quite a bit of fun

- 4) Don't forget to visit the pier
Which isn't very dear
Where you'll have a good view
Of there sailing quite a few
Because together in the sun
We can have quite a bit of fun
