

Christmas Time

- 1) Christmas is on its way
Getting nearer day by day
Now we've reached the end of November
It is the month December
All of us should have Christmas Puddings
And cake to be ate, and really celebrate

- 2) On the 25th December
We'll have a lot to remember
Many of us have a nice party time
With some of us having wine
All of us should have Christmas Puddings
And cake to be ate, and really celebrate

- 3) Many of us will buy others presents
To one another be very pleasant
Have a joyful celebration
With no hesitation
All of us should have Christmas Puddings
And cake to be ate, and really celebrate

- 4) We'll hear many a carol singer singing along
Many a lovely song
Which we'll really enjoy
Remembering Jesus being born as a special boy
All of us should have Christmas Puddings
And cake to be ate, and really celebrate

- 5) There is sometimes snow on Christmas day
In which children like to play
Make a snowman, them all
And sometimes throw a snowball
All of us should have Christmas Puddings
And cake to be ate, and really celebrate

All of us should have Christmas Puddings
And cake to be ate, and really celebrate
