

From Loneliness To Love

- 1) I once had a very lonely illness
Bring me to a terrible stillness
Not at all feeling in top gear
I was shredding tear after tear
I'm pleading with the true Lord God above
I'll soon be healed with all the power of love

- 2) I'd been in a house of my own
With no true loving partner to be known
Although I had plenty of mates out there
I had no-one offering her warm heart to share
I'm pleading with the true Lord God above
I'll soon be healed with all the power of love

- 3) Thinking totally wishfully like I ought ta
On the way across the bridge, I threw many a stone in the water
At each throw that I had a go
Making many a dream wish for love or so
I'm pleading with the true Lord God above
I'll soon be healed with all the power of love

- 4) Then to a big great surprise
Some young lady at the other end of the bridge
Was giving me a sign of love within her eyes
I gave her a very comforting exchange smile
Feeling the first sign of happiness I'd had for oh quite a while
I'm pleading with the true Lord God above
I'll soon be healed with all the power of love

- 5) After over the bridge I did walk
Me, and this lady, had a very heart to heart talk
Was this at last a friendship or romance on its way
Helping all my personal problems to all go away
I'm pleading with the true Lord God above
I'll soon be healed with all the power of love
