

## Lost Love

- 1) I'm not at all lying  
When I say I'm crying  
Yes I'm really feeling upset  
Have a lot to regret  
Whilst I'm singing this song  
All is going wrong
  
- 2) In breaking my heart  
You've played a part  
Leaving me down on my knees  
As you do as you please  
Whilst I'm singing this song  
All is going wrong
  
- 3) Now I'm all on my own  
To no-one else truly known  
You've gone far away  
When I wanted you to stay  
Whilst I'm singing this song  
All is going wrong
  
- 4) We were together for a while  
Giving each other a smile  
What I'll really miss  
Is giving you a kiss  
Whilst I'm singing this song  
All is going wrong
  
- 5) I'll now remember you forever  
Though see you again never  
Now our friendship has gone  
And I'm a lonely one  
Whilst I'm singing this song  
All is going wrong
