

## Our True Love Story

- 1) My total dream came true  
When I first met you  
Whilst my meal in the restaurant was cooking  
At you I could not stop looking  
Now on each and every night  
You bring me such delight
  
- 2) Fancying you without a doubt  
I very eagerly asked you out  
Then you brought me a very big smile  
With the first answer 'Yes' I'd had for oh quite a while  
Now on each and every night  
You bring me such delight
  
- 3) Without a bit of debate  
We both enjoyed our very first date  
Looking at each other eye to eye  
We were in love without a lie  
Now on each and every night  
You bring me such delight
  
- 4) We became boyfriend and girlfriend quite soon  
Which had us both completely over the moon  
A happy partnership was on its way  
Getting better day by day  
Now on each and every night  
You bring me such delight
  
- 5) Through our friends making the front pages  
We've now been married for absolutely ages  
Have definitely saved each other's life  
By being a perfect husband and wife  
Now on each and every night  
You bring me such delight
