- 1) Herbie to bring a smile to his owners face
Put his heart into winning many a car race
He went speeding along so fast
That all the other drivers were saying 'blast'
The lovely Volkswagen Herbie with on it the number '53'
Needs to be cheered on always by you and me

- 2) Herbie was finding his driver fame
Winning time and time again
Without making too much a mistake
Lots and lots of other racing cars he did overtake

- 3) Even when going up the steep hill
Herbie didn't stay much too still
Whilst trying to avoid a crash

- 4) At the finishing line there was always lots of celebration
Taking place without any hesitation
