

Cristiano Ronaldo at Man United

- 1) Cristiano Ronaldo signed for Man United in 2003
And was very soon for them a great winger and striker to be
The first season playing Premiership football with all his soul
He managed to score quite many a goal
- 2) Cristiano making Sir Alex and plenty of fans delighted
For 5 seasons did all he could for Man United
In this time he helped them win three Premiership Titles yes
Was one of the best players or so I guess
- 3) In the football season 2007 to 2008
Cristiano was to do well with no debate
Bringing cheers from oh quite a few
He assisted the European Championship to be won once more by Man U
- 4) Later in the year 2008 through Cristiano and colleagues
Shaking lots of other foreign teams up
Man United also won the FIFA Club World Cup
Cristiano also in 2008 got voted both 'FIFA World Player of The Year'
And 'European Player of The Year'
- 5) Cristiano having helped Man United and his country team Portugal
Do extremely fine
Moved to Real Madrid in July 2009
Yet although all the Old Trafford fans don't know when
He might eventually return to Man United once again
