

Manchester United In Season 1998-99

- 1) Man Utd will be the champions for ages
Be highlighted on all papers' sport pages
As a Manager Alex Ferguson's the best
Better than all the rest
- 2) One season recently Man Utd had a treble win
Would not at all give in
They've had victories all round
For which they're now once more bound
- 3) The attackers Yorke and Cole score many a goal
With their head and feet
And very rarely get a defeat
Man Utd have very well been the treble winners
Proved they're not beginners
- 4) With a header or a kick
Man Utd always do the trick
They in most games have plenty of possession
Despite Keane's occasional aggression
- 5) In each game Beckham plays many a cross
Whether the result's a win or a loss
He's the countries best winger
Whilst his wife is a singer
- 6) Sometimes there's an offence
From the opposing team's defence
And from the penalty spot Denis Irwin scores a goal
Which he does very often as a whole
- 7) Man Utd have won many a cup
Shown many teams up
Along with them being very wealthy
All their players are very skilful and healthy
