

Sir Alex Ferguson's 70th Birthday

- 1) Sir Alex Ferguson is now at the special stage
Of becoming 70 years of age
He's been at Man United for 25 years
Bringing lots and lots of cheers
As a Football Manager Sir Alex is definitely the best
Better than all the rest

- 2) Sir Alex has helped Man United win many a cup
And really shake others up
He's now with them won 37 trophies yes
Has had good Managerial tactics or so I guess
As a Football Manager Sir Alex is definitely the best
Better than all the rest

- 3) Sir Alex has coached many a different player in his Man United team
Getting very many such as Ryan Giggs playing well to fulfil his dream
As shown on all the front pages
Man United have been becoming Premiership Champions for ages
As a Football Manager Sir Alex is definitely the best
Better than all the rest

- 4) Sir Alex has had Man United beat many a foreign team
Really quite often as it does seem
Has had the European Championship won twice
Which to all the players, and fans, was certainly quite nice
As a Football Manager Sir Alex is definitely the best
Better than all the rest

- 5) We can now surely give Sir Alex a cheer
Drink to his achievements and special birthday with some beer
He has to Man United come of really big assistance
With them covered oh quite a distance
As a Football Manager Sir Alex is definitely the best
Better than all the rest
