

Striker Denis Law

- 1) Denis Law was born on the 24th February 1940 in Aberdeen
Before at school much football talent was to be seen
His big football career began at Second Division 'Huddersfield' in 1956
Where he was to start picking up all his forward striking tricks
- 2) After for lots of different football clubs scoring oh quite a few
Denis moved to 'Man United' in the year 1962
Where through 404 appearances and 237 goals he took 'Man United' to Heaven
Deeply helping them 'Win' the First Division in 1965 and 1967
- 3) Denis was just disappointed with no debate
When through injury he missed 'Man United's European Cup Triumph' in 1968
Though for many a deeply good reason
He was for 'Man U' to once set a record of 46 goals in just 1 season
- 4) Denis married Diana in 1962 or so I guess
Before they had 4 sons and 1 daughter yes
Andrew, Iain, Gary and Robert as their sons doing all that they ought ta
Whilst they also had another Diana as their daughter
- 5) Denis was to have 5 grandchildren too
And in the FIFA World Cup in 1974, and other games, for 'Scotland' score oh quite a few
In 2016 he got given a 'CBE New Year Honour' as deserved definitely so
And at Old Trafford of him, George Best and Bobby Charlton a valued statue is still on show
