

Striker Ole Gunnar Solskjaer

- 1) Through the years 1996 to 2007
Ole Gunnar Solskjaer's taken Man U to heaven
With his striking shaking many teams up
And winning very many a cup
- 2) The best moment of his career
One to forever drink to with beer
Was when to Bayern Munich's regret
He kicked the ball up into the net
- 3) Thanks to him Man U then had their challenge done
And the European Championship was once more won
Yes in the terrific season of 1998-99
For Solskjaer and colleagues all went fine
- 4) Solskjaer also at crossing and passing was good
He was always doing the best he could
Playing for Norway as well as Man U
He was scoring oh quite a few
- 5) Having many a trophy previously win
Unfortunately he's now got to pack in
But his Man U colleagues and fans will remember him forever
Letting his techniques slip their mind never
