

The Busby Babes Tragedy

- 1) In this year of 2008
We've remembered a 50 year ago fate
Had a Man United Club Memorial Service take place
With a grim look upon many a face

- 2) Remembering the Munich disaster of February 1958
When the 'Busby Babes' suffered, with no debate
Through a terrible plane crash, yes
Which had many people upset or so, I guess

- 3) Although Matt Busby, Bobby Charlton and Bill Foulkes were to survive
23 were to no longer stay alive
It really was an upsetting day
That brought many a face of dismay

- 4) Following this event in 1958, which was so rotten
All the crash culprits will not be forgotten
We'll have memorials of them at Old Trafford, forever
Forgetting this football club disaster at all never
