

140 Years Of The Charity For Civil Servants

- 1) The Charity for Civil Servants has now been going for 140 years
Deeply helping reduce those suffering with tears
It's helped lots of different people out
And regularly done that well without a doubt

- 2) This Civil Service Charity has assisted quite a few
Both financially and with counselling seen things through
It was first started in the year 1886
And since then has had many a life to fix

- 3) To by everyone be given a big cheer
This Charity has also had plenty a volunteer
Together covering oh quite a distance
And to lots of Civil Servants come of great big assistance

- 4) To help this good Charity to successfully continue
Perhaps a donation time to time should be made by me and you
They will then bring back to lots of people a smile
And hopefully go on for a very long while
