

40th Anniversary Of Volunteers Week

- 1) It's Volunteers Week 2024 from the 3rd to 9th June yes
To be marked with appreciation or so I guess
Thanks to be given to lots of generous volunteers
Who deserve joyful parties with no fears

- 2) It's 40 years of Volunteers Week in June 2024
People helping out like never before
Covering oh quite a long distance
To many charities come of great big assistance

- 3) Together we'll now have to have a volunteer's celebration
With not a slight bit of hesitation
Them supporting the NHS and plenty a charity
Largely valued by both you and me

- 4) We thank all the Volunteer Leaders too
Who recruit and position quite a few
And hopefully with continued support
All Voluntary Work will go just like it ought
