

55 Years Of Costa Coffee

- 1) Costa Coffee was founded in London in 1971
Supplying roasted coffee to caterers and special coffee shops as a number 1
Put together by Bruno and Sergio Costa very successfully
Which is now 55 years old quite certainly
- 2) Bringing lots of brewing and snacking alive
It was acquired by Whitbread in 1995
Then sold to The Coca-Cola Company in January 2019
In a deal worth \$4.9 billion to be seen
- 3) Now Costa Coffee has grown to over 4,000 stores across 31 countries worldwide
With 18,412 employees to not at all hide
It's covered over-all a very big distance
Serving lots of food and drink with nice assistance
- 4) Costa Coffee, as of 2016, had over 2,700 cafes in the UK and Ireland yes
Serving lots of satisfactory food and drink or so I guess
With over 14,200 Costa Express vending facilities
And a further 1,300 outlets overseas
- 5) So, this year, we join Costa Coffee in deep celebration
Partying to mark it's 55th anniversary with no hesitation
Hoping it will continue for oh quite a while
Bringing to many customers worldwide a big smile
