

A Busy Sunshiny Day

- 1) Some farmers get worn off their feet
Hanging out many a sheet
In the garden alongside the wheat
Whilst putting up with the heat

- 2) They then feeling no defeat
Manage to recover from plenty a feat
And have something to eat
As watching the TV Quiz show team getting beat

- 3) With everything going quite fine
They enjoy a nice poem or two that does rhyme
Before it soon reaches time
To have something to dine

- 4) They can then thanks to the sunshine
Find the sheets dry on the washing line
And with that also see a sign
For an evening's restful nice drink of wine
