

A Friend Of Mine

- 1) When it comes to my friend's Dad
He's sometimes a little bit sad
But good jokes from his younger lad
Make him a lot more glad

- 2) With my mate's Mum
She's just occasionally glum
Though always going up with her thumb
Once she's had a lot to fill her tum

- 3) With himself, my mate
Often getting up a little bit late
And in the garden sitting on a gate
Whilst having a little debate

- 4) This friend and his younger brother
Also have a good time with each other
As being brought up nicely by their Father and Mother
Forever teaching one another
