

A Nice Summer Holiday

- 1) We travelled abroad on holiday this year
With all our great summer gear
Went to stay in a nice chalet
At a place where they taught ballet

- 2) We had a nice tour around
With lots of lovely countryside to be found
There was to be seen many a garden flower
Neighbouring a very nice tower

- 3) At the holiday centre we had a very good meal
Which we made out as a very fair deal
Then together went and had a go
At the evenings special event of bingo

- 4) I'll say without a lie
That there was many a clear blue sky
We had quite a bit of fun
Touring around in the bright sun

- 5) To avoid the road traffic jam
We went about a lot by tram
And really had an enjoyable time
With our summer break going fine
