

Angels

- 1) Angels are loving and caring
Warm heart sharing
They send plenty of love
From Lord God above

- 2) In this world they want happiness and peace
Never to cease
But us to have lots of joy
Not anyone annoy

- 3) For quite a while
Angels want us to smile
Have much happiness and fun
Whilst getting everything done

- 4) Angels, from God, are with us forever
Will desert us never
But really come of assistance
In our lives cover oh quite a distance
