

BAE Badminton Competition

- 1) Me and Mike Gledhill half completed our mission
By reaching the final of a sport's competition
It was the BAe badminton men's doubles
At which we'd had some success and troubles

- 2) There'd first round entered quite a few
So it wasn't easy to get through
But we'd played all that we should
And done each shot that we could

- 3) Now we had Dave and Alex to compete
Facing the question of triumph or defeat
We had many a rally and serve
Got the points that we did deserve

- 4) After quite a bit of fun
Many points being lost and won
Me and Mike, not just beginners
After 2 games, were the match winners

- 5) For triumph in most of the games
We had on the trophy put our names
And after picking it up with a cheer
Went for a nice buffet and some beer
