

## Busy On A Sunday

- 1) This morning we were singing  
When the church bells started ringing  
Then we began praying  
With no delaying
  
- 2) Then to the front we were walking  
As occasionally talking  
Followed by a blessing  
Without any at all messing
  
- 3) And after some careful thinking  
Together everyone is now intending drinking  
Some of us are biscuit chewing  
Whilst others are busy brewing
  
- 4) Soon a few will be popping  
To do their shopping  
And I'll be on my way home driving  
Where I might do a bit of skiving
