

## Do You Get The Picture?

1. In the art club gathering of a few  
We had quite a lot to do  
Each enjoying a bit of a draw  
Like we'd never done before
  
2. After a little bit of debate  
Many of us even did a portrait  
Putting together a picture of a friend  
Showing total concentration without an end
  
3. Whilst having a bit of fun  
Lots of different paintings were done  
Having not too much nature to hide  
One or two of us did ones of the nice countryside
  
4. To some of the Art Gallery visitor's delight  
Most pictures were in colour rather than just black and white  
Though both can be very good  
With the different artists doing everything they should
