

Doing This Poem Was A Piece Of Cake!

- 1) I want you to make no mistake
I'd like a big chocolate cake
Or one made of fudge
Which I won't begrudge

- 2) Fruitcake is also very nice
For a cheap price
They all really taste sweet
Though they get me heavy for my feet

- 3) Angel cakes are fitted with nice cream
Or so it does seem
They're eaten by very many
And they don't cost a penny

- 4) Right now it's time for a mince pie
Which I like, no lie
Now because my weight I can't disguise
I'll get some exercise
