

Going For A Pub Meal

- 1) We, lunchtime, decided to go out
And have a good time no doubt
Never needing to one another shout
Because none of us are a lazy lout

- 2) When things are going fine
They're to be drank to with wine
Whilst having a dine
As sat out in the nice sunshine

- 3) The waitress or waiter will then see if they're able
To nicely clear our outside based table
Then in the pub using a cable
I'll see if to re-power my mobile I'm able

- 4) We'll then call it a day
And go on our way
Without any delay
Following another busy at the pub Saturday
