

I Live Near Blackpool

- 1) In Blackpool there's a lot to be seen
Have you ever been
To the top of Blackpool tower you can go
And see the whole town on show

- 2) You can go to the seashore
Whether or not you've ever been before
And in the summer have quite a bit of fun
Whilst based out in the sun

- 3) To avoid a traffic jam
You can also travel on a tram
And whilst travelling with just a few
Have a very good view

- 4) To the Pleasure Beach you can also go
Where there's a lot of entertainment on show
And you can have many a ride
On what you finally decide

- 5) In Autumn there's also the bright illuminations
Which can be seen with no hesitations
With what's mentioned in this poem that does rhyme
In Blackpool you can have a great time
