

## It's Time To Clean My House

- 1) Whenever I see a spider  
I become a coward of a hider  
Have lots and lots of fright  
That my hand it could bite
  
- 2) I've seen many a web in my home  
Where I live on my own  
And also without a doubt  
Plenty an insect about
  
- 3) As a bit of an awkward feature  
In my house I see many an unusual creature  
For much less of them to be seen  
Maybe I should give my home a very good clean
  
- 4) It's now time for me to do a manoeuvre  
Round the building with a Hoover  
Just as I regularly truthfully must  
To get rid of all the insects and dust
