

Lancashire Volunteer Partnership

1. Lancs VP has now been running for a while
Bringing to lots of volunteers a smile
It's had lots of people covering quite a distance
To in helping others come of great big assistance

2. Some volunteers doing all that they should
Have been supporting their neighbourhood
Older and disabled people they have helped out
And done that very well without a doubt

3. There's been Police and Fire & Rescue volunteers too
Who have saved oh quite a few
Without making a single penny
They've rescued very many

4. Libraries and Museums have required plenty a volunteer
So running business is not at all too dear
And instead of just shirking
They've always been busy working

5. So if ever you want something to do
Contact 'Lancashire Volunteer Partnership' can you
And by talking to them by email or phone
You'll soon no longer be always stuck on your own
