

## Look After Your Teeth

- 1) When much chocolate I couldn't resist  
I needed the Dentist  
To tell the truth  
Had difficulty with my tooth
  
- 2) As the Doctor has approved  
I've had one removed  
And having had a filling  
Have had to fill the bill in
  
- 3) He's also told me to my teeth not be mean  
But give them a clean  
Without a bit of haste  
Use some toothpaste
  
- 4) So I'd better listen without a doubt  
Or all my teeth will fall out  
And I'll face the defeat  
Of struggling to eat
