

My Deep Dreams

- 1) Each night in bed I have a wonderful dream
Or so it deeply does seem
Many an adventure takes place
Which brings a smile to my face

- 2) I once dreamt of me flying in the sky
And that's without a lie
I was flying with many an Angel Wing
Whilst looking down on everything

- 3) In another dream I'd got a splendid new job
Was earning quite a few bob
Working as a good News Reporter
I was covering all that I ought ta

- 4) One night I dreamt of finding friendship with a lady
Who one day'd become a relation maybe
We'd responded to each other with a smile
Feeling the best we'd done for quite a while

- 5) Now I don't know about you
But I hope many of my positive dreams do come true
Though I reckon I'll be having some at night forever
Stopping dreaming of the future never
