

New House

- 1) I now live in a nice Bungalow
After having a long way to go
Sort a loan out with the bank
Which didn't take place frank

- 2) I finally have house moved
To a new place my parents approved
Which has been nicely modernised
As a nice surprise

- 3) I really like this home
In which I live alone
It's based in Freckleton
Near where I play badminton

- 4) I'm soon having a house warming do
A gathering of quite a few
A chance to celebrate
Especially with the cake that's to be ate
