

Pudding's The Best

- 1) I like many a cake
Make no mistake
I eat ones made of chocolate and fudge
With no begrudge
But Xmas pudding's the best
Better than the rest

- 2) I regularly put on weight
With no debate
I eat many a sweet
Getting heavy for my feet
But Xmas pudding's the best
Better than the rest

- 3) Each December I have some Christmas cake
Which my Mum does make
And tastes really nice
For a cheap price
But Xmas pudding's the best
Better than the rest

- 4) Each August we have a Poet Club's buffet
Saying to one-another hip-hip-hurray
And have some sandwiches and snacks
Of which there usually is packs
But Xmas pudding's the best
Better than the rest
