

## Scouting And Abouting

- 1) It's fun to be a scout  
And that's without a doubt  
You have a real lot to do  
All the year through
  
- 2) In a hut each week you meet  
To face another game or feat  
Of badges there is quite a few  
Which can be earned by you
  
- 3) In the summer you should make no mistakes  
But go camping in the lakes  
Put up all the tents you require  
And in the evening have a bonfire
  
- 4) Going on hikes you can also do  
Or go for a canoe  
Have some enjoyment in the sun  
Together have quite a bit of fun
  
- 5) So if in your spare time you get bored  
The idea of joining the scouts is to be applaud  
A chance to get together with many others  
Other than our Fathers and Mothers
