

Some Music

- 1) I'm thinking of having a go
At playing a piano
Pressing each of the keys
With music to please
- 2) Through this, to be found
Is a lovely sound
To go with many a song
That's to be sung along
- 3) Hearing a nice singing voice
Is a time to rejoice
Giving it a measure
While having quite a bit of pleasure
- 4) For music to a song
Many a note is played along
Which always very, very soon
Makes a very nice tune
- 5) Also to music people dance
When they have the chance
Moving up and down the floor
To songs that they adore
