

The Best Of Preston City

- 1) In Preston City a lot takes place
To bring a smile to many a face
People are forever here popping
To do lots and lots of shopping

- 2) A large number of students come lodging here too
Because 'The University of Central Lancashire' is attended by oh quite a few
Without the slightest bit of hesitation
For all these students there's regularly being built more and more accommodation

- 3) Plenty of sport takes place in Preston also yes
The Guild Hall is often well attended or so I guess
Because lots of entertainment, including Professional Snooker, takes place there
Bringing deeply interested spectators from completely everywhere

- 4) Also at Preston Deepdale football ground
'PNE Football Club' are quite often to be found
Who each weekend have many a supporter
All cheering them on to 'Win' like they ought ta

- 5) Every twenty years a Preston City 'Guild Year' brings a smile to all local peoples face
Which involves lots of entertainment, including street processions taking place
So we all hope everyone when in Preston has a good time
And everything planned goes quite extremely fine
