

## The Fylde Club Days

- 1) Soon in June without any delay  
All the different Fylde Club Days will be underway  
And without a single lie  
Everyone will be hoping for a day that's nice and dry
  
- 2) Whilst some people are still yawning  
Each town will have a church parade early in the morning  
Lots of youngsters walking hand in hand  
As listening to the Freckleton Brass Band
  
- 3) In the afternoon there's many a church fair  
With decent fund raising stalls everywhere  
And both me and you  
Being nicely offered a piece of cake and brew
  
- 4) The children are all afternoon to be found  
Joyfully going to the Fair Ground  
And giving their parents no room to hide  
Wanting to go on plenty a stunning and entertaining ride
  
- 5) At the same time as the town's pubs still having a raid  
In some places in the evening there's a carnival parade  
Lots of different people in fancy dress  
Which brings the club days to a good conclusion or so I guess
