

## The Lightning Club

- 1) It really was a thrill  
Being served by Phil  
Who working at The Lightning Club still  
Is always busy manning the till
- 2) Here also works plenty a good cook  
Having studied many a recipe book  
Then to get them off the hook  
Lots of BAe staff at their food have an interesting look
- 3) Their menus are usually very nice  
For quite a cheap price  
Including some well-made rice  
And with the drinks of coke some ice
- 4) Most people are over the moon  
When they come here for a meal at about noon  
And whilst listening to a nice radio tune  
Will definitely come here again soon
