

The Super Hero Spiderman

1. Peter Parker was studying science at Columbia University
When bitten by an infectious scientific spider was he
This was to his whole life bring a change
And make him constantly feel extremely strange
2. After this event Peter could no longer be a hider
To the fact he now had all the powers of a spider
And following his Uncle sadly dying
Everyone was on him defeating criminals deeply relying
3. Peter having designed some spiderman hero's equipment to wear
Went after criminals and naughty villains everywhere
Crawling on many a surface to a long length yes
Whilst catching others with plenty a web or so I guess
4. Peter at The Daily Bugle got a job as a photographer
Having lots of photos of spiderman in action to share
Yes by putting his automatic camera on many a shelf
Peter, alas spiderman, took lots of photos of himself
5. Peter as spiderman became a hero to quite a long length
In overcoming the cities trouble's showing a very big strength
He was also to have romance with his close friend Mary Jane
Helping her out with all his heart time and time again
