

Tom And Jerry

- 1) There was a cat in the house
Who was always after a mouse
Whenever it was by the cat found
It chased it all round
- 2) The mouse that was mostly merry
Was nicely called Jerry
Whilst the cat, who was a naughty one
Was one called Tom
- 3) Wanting to eat him with a cherry
Tom was always after Jerry
With many a trip and fall to be found
He pursued him all around
- 4) One day Tom scared Jerry in the garden
Where the dog said 'I beg your pardon'
'But Jerry is my friend'
'Bring your chasing him to an end'
- 5) Looking at the angry dog, Tom did obey
And went back in the house with no delay
Leaving the dog keeping protected and safe Jerry
Who now again felt very merry
