

## Touring The UK

- 1) Travelled on a vehicle or two  
Have me and you  
We've gone on a bus, train or car  
Distance-wise really quite far
- 2) Proving we're neither a clown  
We've visited many a town  
And enjoyed looking round  
With a lot to be found
- 3) On many a summers day  
We've drove down the motorway  
Stopping here and there  
Going everywhere
- 4) There's been nice days, and rain  
When we've gone on the train  
And sometimes without a fuss  
We've travelled on the bus
- 5) Yes hip hip hurray  
We've toured the UK  
With excitement in England, Scotland and Wales  
We'll now tell lots of tales
