

Well Trained Us

- 1) We've been to catch the train
Time and time again
With no hesitation
Got to the station

- 2) We've then been for a ride
With no place to hide
Sat on a seat
Unable to put up our feet

- 3) I've been dressed in a suit
Whilst on the route
Yes clothes-wise played a part
In looking smart

- 4) After going to London on the train track
We've found our way back
And returned to Preston
With all business done

- 5) Now it's time to go home
Once more on our own
Having together travelled quite far
On a train instead of car
