

## What 'We' Did Together

- 1) We had promotion  
We sailed the ocean  
We showed lots of devotion  
We shared plenty of emotion
- 2) We were then at the land  
We played in the sand  
We gave each other a hand  
We tried not to deeply demand
- 3) We then went for a meal  
We wanted a fair deal  
We were after something quite real  
We wanted to give our hunger a heal
- 4) We conclusively went home  
We were then each on our own  
We had lots of friendship earlier shown  
We were never too long alone
