

ST JAMES'S PALACE

From: The Office of HRH Prince William of Wales and HRH Prince Henry of Wales

**Private and Confidential**

12th April, 2011

Dear Mr. Wilkins,

Prince William and Miss Catherine Middleton have asked me to thank you most sincerely for the book of poetry, which you so generously sent to mark the occasion of their Wedding.

The Prince and Miss Middleton very much appreciated your incredibly kind thought, and were so touched that you took the trouble to send a gift.

The couple regret that they are unable to respond personally to the many letters and gifts which they have received. They would, however, have me send you their warmest thanks and very best wishes.

Yours sincerely,

Mrs. Claudia Holloway

Mr. Paul Wilkins
