

130 Years Of Blackpool Tower

- 1) To become a world-wide known attraction never seen before
Blackpool Tower was opened to the public on the 14th May 1894
So to everyone with celebration to be told
It has now, this year, reached 130 years old

- 2) Being able to have a very large view
Blackpool Tower is visited each year by quite a few
Around 1 million people going up it each year yes
Though they all need some guts for the height or so I guess

- 3) With not a slight bit of hesitation
Blackpool Tower often has on show many an illumination
Shining out brightly late at night
To all the passer-by's deep delight

- 4) Blackpool Tower as well as bring a fantastic sight
Has a famous Town Ballroom, and Tower Circus to everyone's delight
With entirely everything going fine
It provides great entertainment all of the time
