

40 Years Of Crucible Snooker

1) The World Championship Snooker competition
Has been held at The Crucible Theatre in Sheffield for ages
Its 40th Anniversary is now making all the front pages
Completely taking his dream wish to Heaven
It was first won here by John Spencer in 1977

2) In the 1970's Ray Reardon played the best
Winning the World Championship more than all the rest
Though in the 1980's Steve Davis was to do just as well
In what the history of the competition had to tell

3) In the 1990's Stephen Hendry was the 7 times winner
Gradually proving that at snooker he was not just a beginner
In the new millennium John Higgins and Ronnie O'Sullivan as winners
Were to both play many a good shot
And at the table make big breaks quite a lot

4) Also to be given lots and lots of cheers
Mark Selby has now won this very popular snooker competition 3 of the last 4 years
Playing snooker cue shots both slow and fast
Cliff Thorburn, Terry Griffiths, Alex Higgins and Mark Williams Have also won it in the past

5) At the Crucible this World Championship will probably continue for quite a while
Very often bringing to the snooker players and spectators a smile
With each professional keeping their confidence of winning alive
By never forgetting what Dennis Taylor did to win against Steve Davis in 1985
