

75 Years Of The National Health Service (NHS)

- 1) To be given lots of thankfulness and tears
Now the NHS has been going for 75 years
First founded in the year 1948
Following the Windrush successful ethnic debate
For the NHS Ambulance to get to you on time
Just carefully dial the number 111 or 999

- 2) Wanting to lots of health problems come of assistance
The NHS has covered oh quite a distance
Recently with COVID-19 research and development they helped everyone out
And did that very well without a doubt
For the NHS Ambulance to get to you on time
Just carefully dial the number 111 or 999

- 3) With the Consultant and Surgeon's co-operation
The NHS has carried out many a life saving operation
Helping people out mentally and physically yes
And for a quite generous cheap price or so I guess
For the NHS Ambulance to get to you on time
Just carefully dial the number 111 or 999

- 4) We owe all the NHS staff, including Ambulance Paramedics and volunteers, a big thank-you
Quite regularly saving the lives of me and you
The GP's, Psychologists, Psychiatrists, Consultants, Surgeons and Nurses to be seen everywhere
Showing to us all a real lot of care
For the NHS Ambulance to get to you on time
Just carefully dial the number 111 or 999

- 5) Now with the NHS Charity Association
We'll all need to give a good occasional donation
Hoping all goes extremely well
In what the future of the all round NHS has to tell
For the NHS Ambulance to get to you on time
Just carefully dial the number 111 or 999
